Dear Chairman Price and Ranking Member Diaz-Balart:

I write today in support of an important community project in my Congressional District. As you begin crafting the Fiscal Year 2023 appropriations legislation, please consider my request to provide \$516,000 in funding for the repainting and recoating of a water tower as a community project funding request. The intended recipient is the City of South Lebanon, Ohio located at 10 N. High Street, South Lebanon, Ohio 45065.

The City of South Lebanon Water Tower is currently the City's only water tower and supplies water to over half of the surrounding residents. It is my understanding that, based on a recent inspection of the water tower, the interior and exterior are in need of both repainting and recoating. The water tower not only serves current residents and businesses, but it is my understanding that it will also provide water to new developments within the South Lebanon water service. As such, this project would ensure a safe, adequate supply of water for future development in the city.

It is my understanding that this project will benefit all users of the South Lebanon water system by ensuring that the water provided by South Lebanon will continue to be safe and reliable. The health and safety of the City's residents is a top priority, and this project will address the concerns expressed from a recent visit by the Ohio Environmental Protection Agency as result of the recent inspection of the water tower.

As you continue to assess appropriations requests, I ask that you give every consideration of this community project in my Congressional District which will repaint and recoat the water tower that supplies water to more than half of the City of South Lebanon's residents. Thank you for your consideration of this important request.

Sincerely,

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for a local water tower improvement project in Fiscal Year 2023. The entity to receive funding for this project is the City of South Lebanon, Ohio located at 10 N. High Street, South Lebanon, Ohio 45065. The funding would be used to repaint and recoat the City's sole water tower.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
